

## NASA CAMP

Ages 5-10 years old

Monday, August 20th - Thursday, August 23rd: 1-5:00pm

**Ages 5-10 years** (must be enrolled in kindergarten to participate)

Mad Science and NASA have teamed up to bring you the excitement and wonder of space with our NASA - Academy of Future Space Explorers Summer Camp.

From planets and moons to the sun and stars, we will take you on a spectacular journey across the universe. We'll see what it's like to live in space and probe the mysteries of meteors. This is your chance to be a rocket scientist and investigate the four forces of flight and then get to see our rockets launched.

**This week of camp is going to be a BLAST!!**

**Member \$140**

**Non Member \$160**
