All children and adults, including the coaches, must wear a mask at all times when inside the building.

Only 1 adult will be allowed to spectate their child from the bleachers and sit at least 6 feet apart from others. No siblings will be allowed in at this time.

Children are placed on spots six feet apart.

All equipment is sanitized before and after each class.

All coaches sanitize their hands before, during and after each class.

Equipment will still be exchanged between athletes but it will be much less frequent than in the past.

All parents, participants and staff are asked to stay home if not feeling well or showing any symptoms. If a child or parents shows up with what appears to be obvious signs of being sick, they will be asked to leave for the safety of everyone involved.

Normal gestures such as hi fives and group huddles will no longer be used. (group song will be sung on our spots and hand stamps will be optional with parent permission only)

Class sizes will now max out at 6 kids per group to minimize the number of people in the space.

Water fountains are no longer available until further notice, please bring your own water.

All participants must have a COVID waiver signed by a legal guardian prior to participating.
