About Us

The Bethlehem Township Community Center is a comprehensive 50,000 square foot facility that opened in February 2006. Our camp will be located inside, to cool off from the summer heat, along with outside activities to enjoy the summer sun!! Our goal is to make sure every camper has a safe and happy experience with new and challenging activities daily.

All of our counselors are carefully selected and must complete an extensive training. Each counselor is required to complete CPR & First Aid training and appropriate background clearances.

Lunches

All campers must provide their own lunches each day. We will not be able to heat up lunches. Please label all items that your child brings to camp. Children will have the option to purchase lunch (payable that day).

Pizza Fridays- \$Fees apply
