

Spring into Mad Science

Ages 5-10 years old

Super Structures: Act like junior architects and engineers! See if a paper column can withstand the Column Collapser! Build your own bridge!

Kitchen Chemistry: Cook up a chemical reaction! Blow up a balloon with yeast. Go on a nutrient hunt. Act out digestion from start to finish. We'll even make our own ice cream!

Matter of Fact: Investigate the ingredients of the universe! Build your own marshmallow molecules! Play Alchemist by turning a nickel into gold (well, almost) ...and use our secret formula to make your own Mad Science Putty!

Mad Science Egg Drop Challenge: With a few select supplies can your Eggbert survive the drop!! Students will be challenged to create a vessel to ensure the safety of their egg.

Scene of the Crime: Help crack a case. Inspect fingerprints, mystery powders, ink samples, and teeth impressions. Create a composite from memory.

Spring Session- Saturdays,
April 7th- May 5th
Member: \$65 Non Member: \$75
