BLOOD DRIVE

In loving memory of Allison Nicole Perno

Allison Nicole

Allison Perno was a spirited 12 year old girl who loved playing outside with her friends and looked forward to sleep overs. As a 6th grader at East Hills Middle School, Allison played the clarinet. Allison's dream was to play in the Freedom High School band as her brothers did before her. She was active in karate, basketball, swimming, soccer and bowling. Her favorite singer was Selena Gomez and favorite actor was Zac Efron. She loved doing Zumba with her mommy and having chips and dip on Friday nights. She always looked forward to going to the movies with her daddy and having ice cream. She loved her animals, especially her dog, Fergie, and her favorite foods were mozzarella sticks, french fries, sushi and pizza.

Allison never had an unkind word to say and always saw the goodness in people. She was always willing to help and never sought anything in return. She was loved by her friends as well as the many adults who knew her. Allison wanted to attend Penn State University and become a Zumba Instructor and a Veterinarian.
