

## **Community Center Director Report – February 7, 2018**

February marks the anniversary month of the opening of the BTCC and the beginning of its 13<sup>th</sup> year of operation. Snow, ice, freezing rain, and extremely cold temperatures have been the norm in Bethlehem Township since mid-January. Despite the inconsistencies in the weather, involvement in programs and events was very strong as well as the daily pass sales and member attendance.

Session II winter programming for both land and water will begin the week of February 26<sup>th</sup> for individuals of all ages. Some of those programs include swim lessons, tennis, adult volleyball league as well as a new men's adult basketball league. BTCC will also feature several family friendly special events the next few weeks. Some of those include:

**\*Flick N Float**

Friday, February 16<sup>th</sup> - 7pm

**\* Storytime with Bethlehem Area Public Library**

Wednesday, February 28<sup>th</sup> – 6pm-8pm

**\* Canvas Painting Workshop**

Friday, March 2<sup>nd</sup> – 6pm

**\*Camp Groundhog Registration**

Opens on Friday, March 16<sup>th</sup>

**\* Easter Egg Hunt**

Friday, March 23<sup>rd</sup> – 6pm

**\* Breakfast with the Easter Bunny**

The BTCC offers a vast array of programs, events and activities for households and individuals of all ages to enjoy during the last several weeks of winter. A complete roster of available community center activities can be accessed from our comprehensive website; **[bethlehemtownship.org](http://bethlehemtownship.org)**. The front desk of the BTCC can be reached by telephone at 610-332-1900.

The calendar and the Groundhog indicate that there is nearly a month of cold winter weather remaining on the horizon. Regardless of weather, it's never too early to begin thinking and planning for the summer! The summer 2018 season officially begins on Saturday, May 26<sup>th</sup> when the outdoor pool opens. BTCC memberships include full access to the outdoor pool complex at no additional charge. More details will be found in our spring/summer 2018 brochure that will be in resident's mailboxes in mid-late March.
