

## **Community Center Director Report – February 13, 2019**

February marks the anniversary month of the opening of the BTCC and the beginning of its 14<sup>th</sup> year of operation. Snow, ice, freezing rain, and extreme changes in temperature have been the norm in Bethlehem Township the past few weeks. Despite the inconsistencies in the weather, involvement in programs and events was very strong as well as the daily pass sales and member attendance.

Session II winter programming for both land and water will begin the week of February 25<sup>th</sup> for individuals of all ages. Some of those programs include swim lessons, tennis, adult volleyball league as well as the men's adult basketball league. BTCC will also feature several family friendly special events the next few weeks. Some of those include:

- \* **Breakfast with Ana & Elsa**  
Friday, February 15<sup>th</sup> – 9:30am
- \* **Kids Canvas Painting Workshop**  
Saturday, March 9<sup>th</sup>
- \* **Camp Groundhog Registration**  
Opens on Monday, March 18<sup>th</sup>
- \* **“Fly Me to the Moon” – Senior Dance**  
Saturday, April 6<sup>th</sup> – 6pm
- \* **Easter Egg Hunt**  
Friday, April 12<sup>th</sup> – 6pm

The BTCC offers a vast array of programs, events and activities for households and individuals of all ages to enjoy during the last several weeks of winter. A complete roster of available community center activities can be accessed from our comprehensive website; **[bethlehetownship.org](http://bethlehetownship.org)**. The front desk of the BTCC can be reached by telephone at 610-332-1900.

Regardless of weather, it's never too early to begin thinking and planning for the summer! The summer 2019 season officially begins on Saturday, May 25<sup>th</sup> when the outdoor pool opens. BTCC memberships include full access to the outdoor pool complex at no additional charge. More details will be found in our spring/summer 2019 brochure that will be in resident's mailboxes in mid-late March.
