

Community Center Director Report – January 15, 2019

Although the temperature and the lack of a white ground cover throughout the Lehigh Valley does not indicate a normal January weather wise, the Bethlehem Township Community Center (BTCC) is fully immersed in a customary and very busy winter 2019 programming season. Our first session of programming kicked off with adult programming the week of Jan 7th and children's programming followed right after beginning the week of Jan 14th.

The swim school open house ran the week of January 7th, seeing a great turnout of children testing their swimming skills. Along with the busy program schedule we offer, the Community Center has a multitude of special events to keep you warm throughout the winter. A few of these upcoming events include:

*** BTCC Time To TRIathlon**

Sunday, January 27th – This new event allows participants to test their triathlon skills without the competitive pressure! Swim 25 yards...bike 30 minutes...run 20 minutes!!

*** Breakfast with Elsa & Ana**

Friday, February 15th – 9:30am

*** Kids Canvas Painting – “Batman”**

Saturday, March 9th – 9:30am – 6-12 years old

Saturday, March 9th – 11:30am – 3-5 years old

BTCC offers a plethora of other opportunities for personal/group exercise, family enjoyment, and healthy fun for Township residents. BTCC information is available on our website: www.bethlehtownship.org. The website is a perfect starting place to find initial information regarding BTCC membership options, hours of operation, exercise/fitness opportunities, and special events that will be conducted at the community center. The front desk staff is always available to answer any questions regarding all community center activity.
