

Community Center Director Report – July 10, 2018

The Bethlehem Township Community Center (BTCC) is operating in full force as we enter the second half of the summer 2018. The near perfect summer weather and a wide array of program opportunities for the entire family have truly filled the BTCC to capacity. Both the indoor and outdoor pool was booming, while fitness enthusiasts have found the indoor BTCC facility as a great place to continue exercising when the temperatures outside hover above the 90 degree mark.

The Bethlehem Township **Blue Shark Swim Team** is completing once again in the Penn/Jersey Swim League. The final home swim meet is scheduled for Tuesday, July 17th. **BTCC Summer camps; *Camp Groundhog* and *Mini Hogs*** have five more theme weeks of positive, fun, and healthy activities through Friday, August 17th. Over 60 children participate weekly in the full day supervised program.

BTCC will have several more family friendly special events this summer! Some of those include:

Movie in the Park

Wednesday, August 1st – Wonder

Art Around the World - Summer Art Camp

Monday, August 20th – Thursday, August 23rd
