## PUBLIC WORKS DEPARTMENT MONTHLY REPORT – NOVEMBER 2016

This month is dedicated to leaf collection. Provided there are no breakdowns or other issues that affect our work crews, we try to get 3 to 4 large leaf machines out circulating around the township. For 2 weeks prior to Thanksgiving our crews work 10 hour days to try to pick up as many leaves as possible prior to the holiday. However, this year, many leaves did not fall early so our leaf season will extend well into December.

During this time we also had to collect leaves in several of our parks as well at the Municipal building.

The Yard Waste Recycle Center had a total of 825 visits for the month.

Respectfully submitted,

Richard W. Grube  
Chief of Public Works
