PUBLIC WORKS DEPARTMENT MONTHLY REPORT –NOVEMBER 2017

The month was almost solely dedicated to Leaf Pickup. The warm fall has not provided a heavy frost that would normally start the leaves to fall. This year many trees were still green at Thanksgiving. The month was mostly dry with some rain that required our crew to clean drains of leaves. We also replanted some trees out at Housenick Park that were broken near the new parking lot.

The Yard Waste Recycle Center had a total of 953 visits for the month.

Respectfully submitted,

Richard W. Grube
Chief of Public Works
