PUBLIC WORKS DEPARTMENT MONTHLY REPORT - DECEMBER 2021

Leaf collection continued to be the main focus of our crews during the month. The mild weather allowed the residents to continue raking leaves most of the month. We had at least one crew out picking leaves up until December 21 when we had to break the trucks down to get ready for snow. We did have one winter event early on Christmas Eve morning that required our crews to salt the main roads and hills.

The Yard Waste Recycle Center recorded 316 visits for the month. We have been keeping up with the tub grinding of the yard waste on a monthly basis and hauling the mulch to Green Pond Nursery as is customary.

Respectfully submitted,

Richard L. Kanaskie, P.G., S.E.O.
Director of Public Works
