PUBLIC WORKS DEPARTMENT MONTHLY REPORT –JUNE 2021

Commissioners:

Malissa K. Davis
John K. Gallagher
Michael D. Hudak
John J. Merhottein
Dale A. Sourbeck

Treasurer:

Rosalia Italiano-Cacciabeve

Township Manager

Doug Bruce

The general summer work load continued with grass cutting, street sweeper and radial arm mower operating throughout the township. We also were able to do some hot mix asphalt patching of some roads with pothole issues.

The contractor had completed the concrete deck on the Sculac Road culvert. We coordinated our subcontractor to install guiderail around the new deck. Our crew had to prepare the approaches to the new deck in order to pave. Stone base was installed and compacted and each side paved in to meet the new deck. After the paving seams were sealed, the barricades were removed and the road opened to traffic approximately 10 months after the storm damage forced the road to close.

We also had a crew start to repair damaged storm inlet boxes. This is all hand work and each inlet takes a fair amount of time to redo. During the month the crew worked on inlets at Oakland Road and Hecktown Road intersection, Ohio Street and Nicholas street. We will continue with this work as weather allows until leaf season begins.

The Yard Waste Recycle Center recorded 1310 visits for the month.

Respectfully submitted,

Richard W. Grube
Chief of Public Works
