

City of Bethlehem
Wastewater Treatment Plant Industrial Pretreatment Program

Preliminary Application for Industrial Wastewater Discharge Permit

All non-residential establishments proposing to discharge to the sanitary sewer system must complete this form. The information submitted will be used to determine the need to apply for an industrial waste discharge permit. Please return to:

Mr. Kenneth Greiser, MIPP/QC Coordinator
City of Bethlehem
Wastewater Treatment Plant
144 Shimersville Road
Bethlehem, PA 18015

1. Contact Information

Facility or Business Name _____
Mailing Address _____

Facility Location _____

Contact Person & Title _____
Telephone Number _____
Fax Number _____
Email Address _____

2. Standard Industrial Classification (SIC) Code(s) _____
North American Industry Classification System (NAICS) Code(s) _____

3. Average daily volume (gallons) of wastewater discharged.

Process _____	Non-contact cooling _____
Sanitary _____	Other (describe) _____

4. Describe each process that produces waste. Include the year in which discharge of each process began. Attach additional sheets if necessary.

5. List all raw materials, process additives, cleaning materials, byproducts, etc. used or generated at this facility. Attach additional sheets if necessary.

6. Describe any spill prevention and containment measures that are in place both inside and outside this facility that may prevent any slug discharge releases into the sanitary or stormwater sewer system. Attach additional sheets if necessary.

7. Describe the location of any sanitary sewer cleanouts, grease interceptors, and private sanitary sewer manholes at the facility. Attach additional sheets and diagrams if necessary.

8. If any laboratory analysis has been performed on the wastewater discharge from the facility, please attach a copy of the most recent laboratory report to this application.

9. Does this facility perform any operations which could be included in the following industrial categories? Check all that apply.
