
Pre-Application Meeting Request Instructions

1. This form is provided to Stormwater Management customers who want to install a new BMP or retrofit an existing BMP to become eligible for Stormwater Management Credit. Customers should review the Authority's Credit Manual for eligibility requirements for Credits.
2. Please fill out all sections on the form, except for the last section marked "For Authority Use Only".
3. Please mail completed form to the Bethlehem Township Municipal Authority at the address of the Bethlehem Township Municipal Building, Attn: Stormwater Management Credit Administrator
4. An Authority representative will review the Request within 90 days of receipt of the completed form.

Please Mark All That Apply

☐ I want to install a new BMP

☐ I want to retrofit an existing BMP

☐ I have an idea for a project that might qualify for the Stormwater Partnership Credit

☐ Other: _____
